Your event, our pub

The Brookmill is a Victorian corner pub at the heart of St John's — independent, locally owned, and built for exactly this kind of thing. We're a short walk from St John's station and Deptford Bridge DLR, so wherever your guests are travelling from, getting here is easy.

Whether it's an intimate dinner, an epic birthday, a wedding reception, a business meeting, or saying goodbye to someone loved, we've hosted it before and we'll look after it properly. Every event gets a bespoke food and drink package built around what you actually want, and we can help arrange decor and entertainment too.

We look forward to seeing you!

The Hopper Room

100 STANDING

65 SEATED

Our biggest space, and our best view — the Hopper Room looks straight out over Brookmill Park, light and airy with a rustic, wood and brick work feel. It's built to be flexible; strip it back for a wedding party, lay it out theatre-style for a work event, or fill it wall to wall for a birthday that's still going strong late into the evening.

The Restaurant

45 STANDING

35 SEATED

Cosy, informal, and just far enough from the bar to feel like your own space without losing the pub's atmosphere. Our semi-private restaurant suits smaller get-togethers such as birthday dinners, team socials, wakes, engagement drinks — anything that wants a bit of privacy without the formality of a full room hire.

OUR SPACES

The Courtyard

40 STANDING

25 SEATED

Covered, heated, and made for the group that wants to be outside without actually being at the mercy of the weather. A screen for match days, benches for long drinks sessions, and the kind of relaxed set-up that suits a casual booking as well as a proper party.

The Garden

110 SEATED

Our biggest outdoor space and, on a good day, the best seat in St John's or Deptford. Room for a laid-back afternoon or a genuinely large party, a screen for sport, covered heated areas for when the sun doesn't cooperate, and open-air spots for when it does. Built for groups that want to spread out.

Stay With Us

If your guests are travelling from near or far, there's no need to worry about where they'll rest their heads after the celebrations.

We have six boutique en-suite hotel rooms upstairs, with both Classic and Superior rooms (room for a cot or extra single bed), so your guests can relax, unwind, and enjoy the occasion without a journey home at the end of it.

Just mention it when you enquire about your booking, and our team will talk you through availability and room options.

The Boring Bit

Securing your booking

We're happy to hold a date for you provisionally. If we receive another enquiry for the same date while it's on hold, we may ask you for an immediate deposit to confirm the booking, or release the date if we don't hear back.

Deposit & payment terms

Your booking is only confirmed once we've received your deposit. The deposit is fully refundable up to 30 days before your event. Cancellations within 14 days of the booking receive a 50% refund; cancellations after that point are non-refundable.

A minimum spend applies for the Hopper Room or private use of the restaurant — send us your requested date and times and we'll send full details. We'll share food and drink pre-order options if you'd like them, along with a payment link for the balance in advance of your event. If the minimum spend isn't reached, the remaining balance is settled on the day.

We don't charge for hire of our spaces, unless the booking falls outside our normal hours or the minimum spend isn't met.

Licence

Happy to talk through any specific requirements around our licence, including the hours we're able to serve. Please note we're not licensed for children on the premises after 8pm. Live bands can play until 10pm, and recorded music until 11.30pm.

Damage

Rare, but worth saying: you're liable for any damage caused to the pub or event spaces by a guest in your party, and we'll ask you to cover the cost.

Neighbours

We keep an eye on noise levels throughout our events and appreciate your cooperation with this — please help us be a good neighbour by keeping noise down on the way out. We're happy to arrange taxis, so just ask.

Service charge

A 12.5% service charge is added to your final food bill for group and event bookings. We think you'll agree the team's earned it — and if not, we'd genuinely like to know why.
